

# THE CARPENTERS ARMS AT BODDINGTON

*The Carps, a Proper Pub*

## Menu

Our policy is to, whenever possible, source locally all our foodstuffs from carefully selected suppliers. We pride ourselves on serving good wholesome food in the welcoming atmosphere of a proper pub.

We hope you find what you need in our menu but, if you don't see what you want, please tell us and we will see what we can do to help you. For example, if you would like a breakfast we can normally rustle one up for you. If you want to explore vegetarian options then again, please just talk to us. Also if you have any food allergy or special dietary requirements please let us know.

If you would like us to cater for a particularly large party or you have any specific requirements then please just let us know in advance and we are sure we will be able to meet your needs.

We hope you enjoy your meal, whether you choose one of our main meals, a lighter bite or simply a sandwich (our sandwich selection is shown on the back of this menu). But if for any reason you have a complaint please let us know as it's important to us that we satisfy our customers so they are happy to become regulars at our pub.

*We hope to see you again - Kevin & Marj and all at The Carps*
